North Fulton...

Weeknight Lane Closures on SR 400

What:

Georgia Department of Transportation contractors will close one northbound lane and shoulder on State Route 400 from the Glenridge Connector and just north of the Spalding Drive overpass. The closure will take place overnight starting on Monday night and ending on Thursday night. The closure will allow contractors to perform preliminary construction work for the I-285/SR 400 interchange reconstruction project.

When:

Nightly, 8 p.m. to 6 a.m.; Monday, October 31 through Friday, November 4

Where:

SR 400 northbound from the Glenridge Connector and just north of the Spalding Drive overpass.

Advisory:

Motorists are cautioned to reduce their speed while traveling through work zones, pay attention and watch for workers. Before heading out, get real-time information on work status and traffic conditions. Call 511, visit 511ga.org, or download the Georgia 511 app.

More:

Preliminary construction activities will be conducted as part of the Transform 285/400 interchange improvement project. Major construction is expected to begin in February 2017. Additional project information is available at <http://www.dot.ga.gov/BuildSmart/Projects/Pages/I285SR400.aspx>
